*Dear Mrs. Moore,*

*Thank you for the donation of gift certificates to CVS, Burlington Coat Factory and the toys you made to the Operation Santa program.*

*With your help, we were able to give much needed clothing and toys to more than 150 Bridgewater children and their families. They enjoyed a very Merry Christmas because of your generosity and of others in our community.*

*We are thankful for your support of this important program for our future generation and wish you and your family a very happy and healthy 2005.*

*Sincerely,*

*Ron Adams & Bren Ladino*
